

Getting to the Windward Islands

An important read for all parents of students headed to the Voyages in St. Lucia, Martinique, St. Vincent & the Grenadines, and Grenada.

The 14 Day Adventure Voyages in the Windward Islands start and end in Saint Lucia (airport code UVF).

The Advanced Adventure S.E.A. Voyages in the Windward Islands are one-way voyages.

The first voyage goes south bound and the second voyage goes north bound.

The north island is Saint Lucia (airport code UVF) and the south island is Grenada (airport code GND).

We suggest The Moorings Travel Service (from North America) but you are not required to use them.

They may be reached at 800.535.7289, or **Soun Saysonvang**, our Air Agent, her direct number is **866.649.2003**.

Leave her a message if she is unavailable and she will return your call.

The Moorings and sister company Sunsail are part of Travelopia, a pioneer in the specialist travel sector. The Moorings Travel service works exclusively with charter boat guests, and they are happy to give you a quote and can help arrange for students to travel together.

PLEASE send or e-mail us a complete itinerary as soon as your reservations are made.

Shortly before your departure, we will let you know if any participant will be sharing a plane with you.
